

# Transport Access Program Armidale Station Upgrade Have your say

## The NSW Government is improving accessibility at Armidale Station

This project is being delivered as part of the Transport Access Program, a Transport for NSW initiative which aims to provide a station precinct that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

### Key features of the proposed concept design include:

- upgrading the ramp at the station entrance
- upgrading the existing accessible car spaces
- new ambulant toilets and a family accessible toilet
- upgrades to existing footpaths
- a formal bus stop by the station entrance
- improvements to CCTV, lighting and wayfinding.

## Have your say

The proposed concept design is on public display from **Tuesday 25 February until Friday 7 March 2020** and community feedback is invited during this time. The concept design is available to view at Armidale Station, Brown Street, West Armidale, NSW 2350
