Work activities include:

- Drainage maintenance at various locations
- Routine civil, signal, and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track reconditioning at Lidcombe
- Track resurfacing, tamping and rail grinding activities
- Turnout refurbishment at Flemington
- Turnout renewals at Eveleigh and Lidcombe
- Turnout resurfacing at Central
- Vegetation maintenance, litter and graffiti removal

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- Work will take place from 11pm Friday 31 May to 2am Monday 3 June.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
