

Sydney Trains

Sydney Harbour Bridge

From Monday 27 May to Monday 15 June 2024

What we're doing

Sydney Trains is replacing the timber deck supporting the track on the Sydney Harbour Bridge with a concrete composite deck. The work is being completed in stages during scheduled weeknight and weekend rail closedowns. The new deck will strengthen the structure, extend the life of the rail corridor, simplify track maintenance and, when complete, reduce train noise for nearby residents.

Work from Monday 27 May to Monday 15 June includes removal of scaffolding.

We understand that this work will have an impact on you and appreciate your patience and understanding.

How this affects you

Noise

- These works will create additional noise at night.
- Work will take place from:
 - **6pm to 4.30am Monday 27 May to Thursday 30 May**
 - **6pm to 4.30am Monday 3 June to Thursday 6 June**
 - **6pm to 4.30am Monday 10 June to Thursday 13 June.**

Traffic and Parking

- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Trucks will be used during this time to transport scaffolding from the Pylon by Lower Fort Street.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
